All night long the party is on
Aankhon ka ishaara
Jo samajho toh yaara
Chupaake rakho dil
Mein na kisiko bataao
Everybody everybody
Everybody now
Start the party
Start the party now
Everybody everybody
Everybody now
Shake your body
Shake your body now
All night long all night long
Mere in kadmom mein
Thirak yeh kaisi hai
Meri adaayon mein
Jhalak yeh kaisi hai
Na jaane dil mein kyun
Lehar si uthati hai
Na jaane saanson mein
Tadap yeh kaisi hai
Kaisi hai yeh mushkil
Khoya hai kahaan dil
Aise toh na dekho
Aise toh na sataao
Everybody everybody
Everybody now
Start the party start
The party now
Everybody everybody
Everybody now
Shake your body
Shake your body now
All night long
All night long
Mere dil mein kya hai
Tujhe bataau main
Labo se phir tere
Nami churaau main
Jaraasa paas aake
Tujhe behkaau main
Magar dil darata hai
Behak na jaau main
Yeh raatein aawaara
Kya hoga hamaara
Abb kehna sunana
Kaise yun na baatein banaao
Everybody everybody
Everybody now
Start the party start
The party now
Everybody everybody
Everybody now
Shake your body
Shake your body now
All night long all night long
Aankhon ka ishaara
Jo samajho toh yaara
Chupaake rakho dil
Mein na kisiko bataao
Everybody everybody
Everybody now
Start the party start
The party now
Everybody everybody
Everybody now
Shake your body
Shake your body now
All night long all
Night all night.
