Allah bhee hai mallah bhee hai  
-2, kashtee hai kee dubee jatee hai  
Allah bhee hai mallah bhee hai  
Ham dub toh jayenge lekin, dono hee pe tohamat aatee hai  
Allah bhee hai mallah bhee hai  
Ik shama ghiree hai aandhee me, bujhatee bhee nahee jalatee bhee nahee  
Shamashire mohabbat kya kahiye, rukatee bhee nahee chalatee bhee nahee  
Majabur mohabbat reh reh kar, har sans thokar khattee hai  
Allah bhee hai mallah bhee hai  
Ek khwab najar sa aaya tha, kuchh dekh liya kuchh tut gaya  
Ek tir jigar par khaya tha, kuchh dub gaya kuchh tut gaya  
-2  
Kya maut kee aamad aamad hai  
-2, kyun nind see aai jatee hai  
Allah bhee hai mallah bhee hai
