Ho o o o.....  
Almadad chere khuda  
Mera yaar na ho mujhse juda  
Almadad chere khuda  
Main yaar bin -2, main mar jaavaanga yaar bin - 4  
Aarju..... keh rahi, mere mehboob ka meri najaro ko deedaar de  
Iltaja... hai yahi, jindagi se mila de mujhe, ya mujhe maar de  
Bikhare sapne tutake soche dil ki raah mein  
Dar dar bhataka main yaha, dilruba ki chaah mein  
Sun jara sun jara, dhadkano ki sada.....  
Almadad chere khuda  
Mera yaar na ho mujhse juda  
Main yaar bin -2, main mar jaavaanga yaar bin - 4  
Haste haste..... 4  
Har ghadi, har jagah sochata hoon usike hi baare mein abb raat din  
Mujhko hai yeh pata, reh sakegi na woh bhi akeli kahi mere bin  
Saaya banega ke sang hai yaadon ki parchaayiyan  
Har lamha dasane lagi naagin si tanhaayiyan  
Bebasi har kadam, waqt hai bewafa  
Almadad chere khuda  
Mera yaar na ho mujhse juda  
Main yaar bin -2, main mar jaavaanga yaar bin - 4  
Haste haste..... 4
