Ho o o o
Almadad chere khuda, almadad chere khuda
Mera yaar na ho mujhse juda
Mera yaar na ho mujhse juda
Almadad chere khuda
Main yaar bin, main yaar bin
Main mar jaavaanga yaar bin
Main yaar bin, main yaar bin
Main mar jaavaanga yaar bin
Main yaar bin, main yaar bin
Main mar jaavaanga yaar bin
Main yaar bin, main yaar bin
Main mar jaavaanga yaar bin
Aarju keh rahi, mere mehboob ka
Meri najaro ko deedaar de
Itaja hai yahi, jindagi se mila de
Mujhe, ya mujhe maar de
Bikhare sapne tutake soche dil ki raah mein
Dar dar bhataka main yaha,
Dilruba ki chaah mein
Sun jara sun jara, dhadkano ki sada
Almadad chere khuda,
Almadad chere khuda
Mera yaar na ho mujhse juda
Main yaar bin, main yaar bin
Main mar jaavaanga yaar bin
Main yaar bin, main yaar bin
Main mar jaavaanga yaar bin
Main yaar bin, main yaar bin
Main mar jaavaanga yaar bin
Main yaar bin, main yaar bin
Main mar jaavaanga yaar bin
Haste haste, haste haste
Haste haste, haste haste
Har ghadi, har jagah sochata hoon
Usike hi baare mein abb raat din
Mujhko hai yeh pata, reh sakegi
Na woh bhi akeli kahi mere bin
Saaya banega ke sang hai
Yaadon ki parchaayiyan
Har lamha dasane lagi naagin si tanhaayiyan
Bebasi har kadam, waqt hai bewafa
Almadad chere khuda,
Almadad chere khuda
Mera yaar na ho mujhse juda
Mera yaar na ho mujhse juda
Main yaar bin, main yaar bin
Main mar jaavaanga yaar bin
Main yaar bin, main yaar bin
Main mar jaavaanga yaar bin
Main yaar bin, main yaar bin
Main mar jaavaanga yaar bin
Main yaar bin, main yaar bin
Main mar jaavaanga yaar bin
Haste haste, haste haste
Haste haste, haste haste.
