Anderlu maandarlu tu ro tawaai
Life hai once bol tension good bye
Are baap yeh apun jaise bol rehla hai yaar
Yeh jhimpā chika, jhimpā chika
Anderlu maandarlu tu ro tawaai
Life hai once bol tension good bye
Warna mar jaayega, kuchh nā kar paayega
Kehta reh jaayega haay haay haay haay
Anderlu maandarlu tu ro tawaai
Life hai once bol tension good bye
Aaj milan kai duri, har chaahāt hai adhuri
Kab hogi diljaani puri prem kahaani
Pyaar se badhake yahaan hai kayi aur bhi ghum
Na mohabbat se badi koyi bhi cheej sanām
Chhodo bhi jaane do jaane do jaane do
Anderlu maandarlu tu ro tawaai
Life hai once bol tension good bye
Manjil tak hai jaana, ik waada hai nibhaana
Tere saath rahungi tere dard sahungi
Raah kaanton se bhari, mushkilon mein hai kadam
Yeh iraadaa hai kiya haar maanenge na hum
Toh chalo toh chalo deewaano toh chalo
Anderlu maandarlu tu ro tawaai
Life hai once bol tension good bye
Warna mar jaayega, kuchh nā kar paayega
Kehta reh jaayega haay haay haay haay
Anderlu maandarlu tu ro tawaai
Life hai once bol tension good bye
