Anderlu maandarlu tu ro tawaai  
Life hai once bol tension good bye  
Are baap yeh apun jaise bol rehla hai yaar  
Yeh jhimpa chika, jhimpa chika  
Anderlu maandarlu tu ro tawaai  
Life hai once bol tension good bye  
Anderlu maandarlu tu ro tawaai  
Life hai once bol tension good bye  
Warna mar jaayega, kuchh na kar paayega  
Kehta reh jaayega haay haay haay haay  
Anderlu maandarlu tu ro tawaai  
Life hai once bol tension good bye  
Aaj milan ka duri, har chaahat hai adhuri  
Kab hogi diljaani puri prem kahaani  
Pyaar se badhake yahaan hai kayi aur bhi ghum  
Na mohabbat se badi koyi bhi cheez sanam  
Chhodo bhi jaane do jaane do jaane do  
Anderlu maandarlu tu ro tawaai  
Life hai once bol tension good bye  
Anderlu maandarlu tu ro tawaai  
Life hai once bol tension good bye  
Manjil tak hai jaana, ik waada hai nibhaana  
Tere saath rahungi tere dard sahungi  
Raah kaanton se bhari, mushkilon mein hai kadam  
Yeh iraadaa hai kiya haar maanenge na hum  
Toh chalo toh chalo deewaano toh chalo  
Anderlu maandarlu tu ro tawaai  
Life hai once bol tension good bye  
Anderlu maandarlu tu ro tawaai  
Life hai once bol tension good bye  
Warna mar jaayega, kuchh na kar paayega  
Kehta reh jaayega haay haay haay haay  
Anderlu maandarlu tu ro tawaai  
Life hai once bol tension good bye.
