Andhe jahaan ke andhe raaste, jaaye toh jaaye kaha
Duniya toh duniya, too bhee paraaya, ham yaha naa waha
Jine kee chaahat nahee, mar ke bhee rat nahee
Iss par aansu, uss par aahe, dil meraa bejubaan
Hamko naa koyee bulaaye, naa koyee palake bichhaaye
Aye gham ke maaro manjil wahee hai, dam yeh tute jaha
Aagaaj ke din teraa, anjaam tay ho chuka
Jalate rahe hai, jalate rahenge yeh jamin aasmaan
