Andhera hai
Andhera hai na jaane kaisa yeh andhera hai
Ho andhere ne allaah jaane mujhako kyun ghera hai
Dil tuta ghar chhuta kapade fate waande lage
Koyi bataaye khata kya huyi
Allaah jaane mujhako kyun ghera hai andhera hai
Aag yeh kaisi dil ko jala rahi, kaisi tadap hai jo tadapa rahi
Bheed mein laakhon ki tanaha hoon main
Baat samajh mein na yeh aa rahi
Koyi bataaye khata kya huyi
Allaah jaane mujhako kyun ghera hai
Dil tuta ghar chhuta kapade fate waande lage
Dard mera abb thamata nahi, mann yeh mera toh kahin ramata nahi
Chaino karaar kyun mujhako nahi
Paanve mera kahin jamata nahi, koyi bataaye khata kya huyi
Mukaddar ne ruthake mujhase muh kyun phera hai
Andhere ne allaah jaane mujhako kyun ghera hai
Dil tuta are haay haay ghar chhuta
Kapade fate are hero se zero ban gaye waande lage
Dil tuta ghar chhuta kapade fate waande lage
