Andhi jaisi raftar apni chal chala chal  
Manjil to us par apni chal chal chal  
Chattano par ham chale  
Kuch aise ke faslo ko mitaye ham  
Hamare dil me woh hosla hai  
Ke parbato ko jhukaye ham  
Hawa karegi salam tujhko  
Mashalo sa jal sathi re  
Chal chal sathi re - 4  
Ye pyas jiski talash me hai  
Woh bhiga manjar jarur hoga  
Kisi sulagti zamin ke niche  
Koi samundar zarur hoga  
Jo pal hai roshan bula raha hai  
Wahi pe le chal sathi re  
Chal chal sathi re - 4  
Sipahi ban ke jo chal pade ham  
Woh raste khud simat gaye  
Hamari raaho me the jo patthar  
Woh khud hi ghabrake hat gaye  
Jaha pe manjil kadam ko chume  
Wahi pe le chal sathi re  
Chal chal sathi re - 4  
Andhi jaisi raftar apni chal chala chal  
Manjil to us par apni chal chal chal  
Chattano par ham chale  
Kuch aise ke faslo ko mitaye ham  
Hamare dil me woh hosla hai  
Ke parbato ko jhukaye ham  
Hawa karegi salam tujhko  
Mashalo sa jal sathi re  
Chal chal sathi re - 4
