Ang laga de re mohe rang laga de re
Main toh teri joganiya tu jog laga de re
Jog laga de re prem ka rog laga de re
Main toh teri joganiyaan tu jog laga de re
Ram ratan dhan lagan magan man
Tan mora chandan re
Ujali kori preet piya satrang laga de re
Ang laga de re mohey rang laga de re
Main toh teri joganiya tu jog laga de re
Raat banjar si hai kaale khanjar si hai
Tere seene ki lau mere andar bhi hai
Tu hawa de isey toh mera tann jale
Jala de re sang jala de re
Mohey ang laga de re
Main toh teri joganiya tu jog laga de re
Raas hai raat mein teri har baat mein
Bol main kya karun aise haalaat mein
Hoon main teri malang tu hi mera nasha
Chadha de re bhang chadha de re prem ki bhang chadha de re
Main toh teri joganiya tu jog laga de re
Jog laga de re prem ka rog laga de re
Main toh teri joganiya tu jog laga de re
Ram ratan dhan lagan magan man tan mora chandan re
