Are jo jhimee ayee
Tum aaj karlu, chaho jise bina baho meh barlu
Ang se ang lagana sajan hame aise rang lagana
Ghal lo se yeh ghal la lagake, naino se yeh naina milake
Holee aaj meh nana sajan hame aise rang lagana
Ang se ang lagana sajan hame aise rang lagana
Upar upar rang lagayo naa kario kuchh liche
Mujhse kuchna bole garye chupse akia miche
Hoo bach key paru san jane naa payee
Jaye toh aapas aane naa payee
Dur meh nay aise, baso marura
Sajara naa gagara, kuchh be naa chura
Lapata likado lapata likado ane meh ham, dharte gay jurmana
Ang se ang lagana sajan hame aise rang lagana
Rang barse bhige chunaravalee rang barse
Kaise kee jatane bhigee chunaree bhigee cholee
Holika hai nam are yeh tohay aap meh cholee
Aaj bana hare ladka kandha, aaj banee hare ladkee radha
Too radha meh kandha, naa naa naa naa kya
Bigalee aur badal, tum donor hai pagal
Hey hubia juree, bas deer hai toorie
Tum jivan satee, ham sa baratie
Rang goki doolie, ley ayee holee
Barlo pichakaree, karilo kay aree
Bhigini shano band key tum, naino key tir chalana
Ang se ang lagana sajan hame aise rang lagana
Rang barse bhige chunaravali, rang barse
Bhige bhige tere badam se, jaise sholay lapka rahey hai
Apna rasta dekhe musafir, tere naino batake rahey hai
Meh bhula rasta rasepay aaja, meh tam ro bhaya mhuj cher o siya
Tum dil ma toro tum aachal chodo, tum kahey rhuti hey mere churi dooti
Dil meraa tuta, chal hacha jhuta
Too nach mai gau, too baike meh jau
Mushkil hai jana, too hai divana
Mujhe ang lagale, bas rang lagale
Ne lake pila, ne nana pila
Kya lal ghulabee, too bolo bhabee
Juski bar sindur manga kar, kiskee mang sajana
Ang se ang lagana sajan hame aise rang lagana
