Aaj gulshan ki bahaaron ne salaami di hai
Saari duniya ke najaaron ne salaami di hai
Jamino aasmaan kurbaan tere sehare pe
Falak ke chaan sitaaron ne salaami di hai
Yeh jo lage chhabila abb ho jaayega dhila
Pakadegi kaan se isako phir ho jaayega pila
Haan apana dulha hey hey apana dulha hoy hoy
Apana dulha jamaane se niraala hai
Khud rab ne -3 mahurat nikaala hai
Khud rab ne mahurat nikaala hai
Apana dulha jamaane se niraala hai, khud rab ne mahurat nikaala hai
Apana dulha jamaane se niraala hai
Dulha jamaana niraala, dulha jamaana niraala du du du dulha haan
Apana dulha jamaane se niraala hai
Khud rab ne mahurat nikaala hai
Mukhade ko chume aaj sehare di ladiya, sehare di ladiya hoy hoy
Mann ko muraadon se mili hai yeh ghadiya, mili hai yeh ghadiya
Jindagi mein hota hai milan yeh naseeb se
Devar milega mera apne habib se, apne habib se, apne habib se
Devar milega ma ma milega milega da da devar milega -2 milega
Devar milega mera apne habib se, apne habib se, apne habib se
Chudiya wafa ki joda ijjat ka pehane
Ang chadhe toh phike lage saare gehane
Lage saare gehane, phike lage saare gehane
Aankh mein sharam o de chehare pe noor ji
Nekjaat aise jaise jannata di hoor ji -3
O o o.... husn raanjha farishton se kuchh kam nahi
Usaki surat pe marati hai laakhon hasin
Ha ha laakhon hasin, ha dekho laakhon hasin
Phul chaahat ke sine mein sajane lage
Har taraf dhol khushiyon bajane lage
Mera raanjha toh -2 ghar ka ujaala hai
Bade naajon se hamane ise paala hai - 3
Khud rab ne haan haan, khud rab ne haan ji haan
Khud rab ne mahurat nikaal hai
Dil ke ujade chaman ki kali khil gayi
Teri chaahat ki manjil tujhe mil gayi
Ishq mein haar hoti hai sansaar ki
Jit hoti rahegi yun hi pyaar ki
Husn se ishq -2 abb milane waala hai
Khud rab ne haan haan, khud rab ne haan ji haan
Khud rab ne mahurat nikaal hai
Yeh ajabaakpan dilruba gulbadan
Tu hai ai jaanemann ek anokhi dulhan
Isase badhakar tujhe na khushi chaahiye
Yaar ki pehalu mein jindagi chaahiye
Tera raanjha toh
Tera raanjha tere pyaar ka hai khuda
Marake bhi ho sakenge na dono juda
Aise saanche mein -2 kudart ne dhala hai
Khud rab ne haan haan, khud rab ne haan ji haan
Khud rab ne mahurat nikaal hai
O jara hatake banna, are mar ???
Marjaawa lassi pike, tu ki karenga ji ke
Aayi bhunkon ki baaraat, achche lagate nahi haalaat
Hata chehare se ghunghat, najar na lage pare hat
Huwa kyun mujhe dhakele, kabhi milana akele
Tu bhi dulhe ka bhaai tabiyat tujhape aayi
Baje hai baara shakal pe laanat hai teri akal pe
Jaat ke lage miraasi kali nahi phul hai baansi
Hai ek hi baap ke saare isi ghum ke hai maare -3
Chup ho jabanno tu khol na jubaan ko
Jaanate hai hum sab tere khaandaan ko
Teri maa pe miraasi ho gaya tha shaida
Shaadi hone se pehale tu ho gayi thi paida
O langada chaaha
Langada langada nahi nahi nahi mera chaacha
Are langada langada are baaba mera chaacha
Are langada chaacha nahi mera chaacha
O langada chaacha kunwaara maranewaala hai
Khud rab ne mahurat nikaal hai
Are woh langade.. o langada chaacha
