Are dekhee jamane kee yaree
Bichhade sabhee, bichhade sabhee baree baree
Kya le ke mile abb duneeya se, aansu ke siva kuchh pas nahee
Ya phul hee phul the daman me, ya kanto kee bhee aas nahee
Matalab kee duneeya hai saree
Bichhade sabhee, bichhade sabhee baree baree
Vakt hai meherban, aaraju hai javan
Fikr kal kee kare, itanee fursat kaha
Daur yeh chalata rahe rang uchhalata rahe
Rup machalata rahe, jam badalata rahe
Rat bhar mehman hain bahare yaha
Raat gar dhal gayee phir yeh khushiya kaha
Pal bhar kee khushiya hain saree
Badhane lagee bekararee, badhane lagee bekararee
Are dekhee jamane kee yaree
Bichhade sabhee, bichhade sabhee baree baree
Udd ja udd ja pyase bhanvare, ras naa milega karon me
Kagaj ke phul jaha khilate hain, baith naa unn gulajaro me
Nadan tamanna retee me, ummid kee kashtee khetee hai
Ik hath se detee hai duneeya, sau hatho se letee hai
Yeh khel hai kab se jaree
Bichhade sabhee, bichhade sabhee baree baree
