Kyun Khuda ne di laqeelein
Jisme zaahir naam nahi tera
Likh raha hoon dard saare
Yun toh shayar naam nahi mera
Itna bhi kya bewafa koi hota hai
Yeh soch kar raat bhar dil ye rota hai
Asal mein, tum nahi ho mere
Aasmaan se kya khata hui
Taara uska toota kyun
Log mujhse poochte hain
Saath apna chhoota kyun
Kya majbooriyan
Kaasiye dooriyaan
Dil ye samjhé na
Hote hain pyaar mein
Aise bhi imtehaan
Maine ab jaana
Khwaab hi bas reh gaye hain
Jinme ho tum humsafar mere
Asal mein, tum nahi ho mere
Mannde ni bandesha ae pyar nahio jhukde
Raah teri takde eh nañ nahio rukde
Isey hain aaiyan ve udeekan teriyan jo
Kivein lukaawá mere hanju nahio mukde
Hove khair sajna ve bhaavein kehar sajna ve
Kade sadde vi dil tur aa
Haaye hove khair sajna ve bhaavein kehar sajna ve
Bas mannde haan dil ton dua
Kaash tum phir laut aao
Mit jaaye saare gham ye jo mere
Asal mein, tum nahi ho mere
Tum nahi ho mere
Tum nahi ho mere
Tum nahi ho mere
Tum nahi ho mere
