Aur iss dil me kya rakha hai
Tera hee dard chhupa rakha hai
Chir ke dekhe dil mera toh
Tera hee nam likha rakha hai
Pyar ke afasane sune the logo se
Pyar kya hota hai, yeh tune samajaya
Mila dil tuj se toh, khwab dekhe aise
Junun jane kaisa, jawan dil pe chhaya
Dil me ayesa dard uthha, dil ho gaya diwana
Diwano ne iss duniya me
Dard kaa nam dawan rakha hai
Nigaho me meree yeh surat hain teree
Jindagee yeh meree amanat hain teree
Dhadkate sine me mohabbat hain teree
Mohabbat yeh teree, ibadat hain meree
Tere siwa kuchh yad nahee hai
Too hee too dil me
Dil ne yar kee puja kee hai
Pyar kaa nam khuda rakha hai
