Too hee toh mere pas hai, phir yeh kaisee pyas hai
Yeh kaisa ehsas hai, koi bata de mujhe
Aaj mai hu aur tum ho aur mohabbat hai
Aur mohabbat hai aur mohabbat hai
Mai bhee ghum hu tum bhee ghum ho hai yeh chahat
Han yeh chahat hai aur mohabbat hai
Yeh kaise mumkin hai tumko kisee ne abb tak pyar na kiya
Mai kaise yeh manu tumko abb tak dil na diya
Kaisee hai yeh uljhan, dil yeh laga sochane
Tej hai kyon dhadkan, koi bata de mujhe
Aaj mai hu aur tum ho aur mohabbat hai
Aur mohabbat hai aur mohabbat hai
Jo tumse kehna tha maine kaha na lab par bat hai rukee
Lagta hai yeh aksar mere liye hee shayad too hai banee
Kaisa aitbar hai, kaisa intejar hai
Kyon tumse itna pyar hai, koi bata de mujhe
Aaj mai hu aur tum ho aur mohabbat hai
Aur mohabbat hai aur mohabbat hai
Mai bhee ghum hu tum bhee ghum ho hai yeh chahat
Han yeh chahat hai aur mohabbat hai
