Aurat ne janam diya mardo ko, mardo ne use bajar diya  
Jab jee chaha masla kuchla, jab jee chaha dutkar diya  
Aurat ne janam diya mardo ko.....  
Tultee hai kahee dinaro me, bikatee hai kahee bajaaro me  
Nangee nachvaayee jaatee hai, aiyasho ke darbaaro me  
Yeh woh bejjat chij hai jo, bant jaatee hai ijatdaaro me  
Aurat ne janam diya mardo ko.....  
Mardo ke liye har julm raavan, aurat ke liye rona bhee khata  
Mardo ke liye laakho seje, aurat ke liye bas ek chita  
Mardo ke liye har aish kaa hak, aurat ke liye jina bhee saja  
Aurat ne janam diya mardo ko.....  
Jin hotho ne inako pyaar kiya, unn hotho kaa vyopaar kiya  
Jis kokh me inaka jism dhala, uss kokh kaa karobaar kiya  
Jis tan se uge kopal ban kar, uss tan ko jalilo khar kiya  
Aurat ne janam diya mardo ko.....  
Mardo ne banayee jo rasme, unako hak kaa farmaan kaha  
Aurat ke jinda jalane ko, kurbaanee aur balidaan kaha  
Kismat ke badle roteee dee, aur usako bhee ehsaan kaha  
Aurat ne janam diya mardo ko.....  
Sansaar kee har ik besharmee, ghurbaat kee god me palatee hai  
Chaklo hee me aake rukatee hai, fako me jo raah nikalatee hai  
Mardo kee havas hai jo aksar, aurat ke paap me dhalatee hai  
Aurat ne janam diya mardo ko.....  
Aurat sansaar kee kismat hai, phir bhee takdir kee hetee hai  
Avtaar payambar janatee hai, phir bhee shaitaan kee betee hai  
Yeh woh badkismat mann hai jo, beto kee sej pe letee hai  
Aurat ne janam diya mardo ko.....
