Aye dil aye naadaan
Laakh bahaarein aayi phir bhi nagari teri viraan
Aye dil aye naadaan
Kitane hi khaab dekhe, taaron ki roshani mein
Itane kareeb aaye chhoti se jindagi mein
Kitane khayaal bunkar, ik jaal sa banaaya
Bhule se koi panchhi lekin idhar na aaya
Aye dil aye naadaan
Laakh bahaarein aayi phir bhi nagari teri viraan
Aye dil aye naadaan
Reh rehake ik tassvur tujhako sata raha hai
Tu ghum ko kha raha hai, ghum tujhako kha raha hai
Tu aap hi na jaane kisaki tujhe lagan hai
Tu jisame jal raha hai woh kaun si agan hai
Aye dil aye naadaan
Laakh bahaarein aayi phir bhi nagari teri viraan
Aye dil aye naadaan
Abb tak jo hai adhuri, tasbir kab banegi
Mehbub kab milega, takdir kab banegi
Maayusi ki badali ghir ghirake chha rahi hai
Ummid ik jhula phir bhi jhula rahi hai
Aye dil aye naadaan
Laakh bahaarein aayi phir bhi nagari teri viraan
Aye dil aye naadaan, aye dil aye naadaan
