Aah aah aah aah aah aah aah.....
Aye dil dil kee duniya me aisa haal bhee hota hai
Baahar koyee hasta hai, andar koyee rota hai
Aye dil koyee pehchaana nahee, kisee ne yeh maana nahee
Kisee ne yeh jaana nahee, kisee ko bataana nahee
Dard chhupa hai kaha
Aye dil dil kee duniya me aisa haal bhee hota hai
Baahar koyee hasta hai, andar koyee rota hai
O hey eh
Tune mujhase vafa nahee kee, tujhako kaise vafa milegee
Tune mujhako dard diya hai, tujhako kaise dava milegee
Sine me uthte hai armaan aise, dariya me aate hai tufaan jaise
Kabhee kabhee khud hee maajhee kashtee ko dubota hai
Aye dil dil kee duniya me aisa haal bhee hota hai
Baahar koyee hasta hai, andar koyee rota hai
Kaante chunkar teraa daaman, phulo se mai bhar jaaunga
Isase badee saja kya hogee, maaf tujhe mai kar jaaunga
Aa eh aah
Hogee kisee ko pehchaan kaise, pyaar me hote hain kurbaan kaise
Hamko yeh maalum naa tha, pyaar bhee ek samjhauta hai
Aye dil dil kee duniya me, aisa haal bhee hota hai
Bahar koyee hansta hai, andar koyee rota hai
Aye dil koyee pehchaana nahee, kisee ne yeh maana nahee
Kisee ne yeh jaana nahee, kisee ko bataana nahee
Dard chhupa hai kaha
Aye dil dil kee duniya me, aisa haal bhee hota hai
Bahar koyee hansta hai, andar koyee rota hai
