Baabu ghabraate hain  
Chori chori aankhon se  
Tir chalaate hai  
Bibi sach kehati ho  
Chonch toh hai baahar aur ande mein rehati ho  
Bibi sach kehati ho  
Chhaila mere rangile dikhane mein bhole se  
Chakhane mein jahirile  
Dikhane mein gudiya ho, bholi bhaali samajhe the  
Mirachi ki pudiya ho  
Chale the gulaab lene dekho phulwaadi se  
Kaanto se ulajh baithe baabu yeh anaadi se  
Pada nahi paala abhi aap ka khilaadi se  
Tinake nikaalo bibi choro ke daadhi se  
Choron se rishta hai choron se ulajho ja ke  
Banda farishta hai, mm hmmm  
Farishtein aap se hote hai aaj hi jaana  
Jamin pe kaise huwa kahiye aap ka aana  
Khuda ne aapko apana salaam bheja hai  
Mijaaj puchhane aa ha mijaaj puchhane woh yeh gulaam bheja hai  
Suna hai aap ke se chanda maama hai  
Khuda ke paas wahaan aap ka nishaama hai  
Kamaal karate hai har baat puchh let hai  
Jiraadari ko -2 badi juldi sungh lete hai  
Yeh ghun chapaanj ke kya haanji saaf karate hai  
Hum aap so ki tabiyat saaf karate hai  
Ja, tumhaare jaise bade majanu maare phirate hain  
Ki laila laila gali mein pukaare phirate hain  
Tumhi ko laila banaaya hai toh jawaab nahi  
Kahin khuda ki tabiyat bhi toh kharaab nahi  
Bater jaisi do aankhein lagaake bhej diya  
Ya sidha kabrr se waapas uthaake bhej diya  
Jahaan mein aap jaisi aur koyi cheej nahi  
Tameej sikho agar baat ki tameej nahi - 4
