Baitho kabhi saath mere bhi do
Baatein karo, baatein karo
Chaahe bhale baad mein tod do
Vaade karo, vaade karo
Baitho kabhi saath mere bhi do
Baatein karo, baatein karo
Chaahe bhale baad mein tod do
Vaade karo, vaade karo
Kaisi akeli si khamoshi si
Hai raat bhi khud mein yun khoji si
Tanhaaiyan thodi kum hui si
Naate karo, baatein karo
Baitho kabhi saath mere bhi do
Baatein karo, baatein karo
Chaahe bhale baad mein tod do
Vaade karo, vaade karo

Hoâ€!
Aao zara hasle rone sune
Pal saare deewarein kone sune
Ik bewajah betuki si kahani mein
Apne bhi kirdaar hone sune
Aao zara hasle rone sune
Pal saare deewarein kone sune
Ik bewajah betuki si kahani mein
Apne bhi kirdaar hone sune
Baaton ke matlab zaroori nahi
Ho lafz ya lab zaroori nahi
Aankhon hi aankhon mein ik dusre ke hum
Aao na sapne salone sune
Chup-chaap baithe huye khwaab hai
Bechain hai thode betaab hai
Andar kahin jo bhi sailaab hai
Jaate karo, baatein karo
Baitho kabhi saath mere bhi do
Baatein karo, baatein karo
Chaahe bhale baad mein tod do
Vaade karo, vaade karo
Hmâ€!haanâ€!
