Here we go here we go
Here we go
Suno tina meena leena seema
Sab to chaliya party
Sonu monu burty ne
Ta kar li rent ferrari
Are lipstick powder
Lambi heel te d and g di mari
Club me jaane se pehle to
Whisky mukh dai saari
Chal bar pe pee le ye ye
Taquila lagai le ye ye
Aaj nain nashile ye ye
Aaj raat ko jee le ye ye
Now wait a minute and stop you fooling
Step up in your place n you let hold grooving
Dekh li item you're pursuing
Jaake keh de tu hi you're doing
Aaj puri botal lavange
Aaj to babloo happy hai
Aaj dj bhi bajavange
Are aaj to babloo happy hai
Tunn hoke latt hilavange
Aaj to babloo happy hai
Kal hone wali shadi hai
Are aaj to babloo happy hai
Closer to you
Is where i wanna be tonight be tonight
Give me o you get
Let me feel the love inside
Closer better longer stronger
You touch me i feel like screaming all over
Its one night its one way
You give it i love it
I am swelling you baby
You make me get down down down
Are iski lag gayi uski lag gayi
Sabki lagne wali hai
Khul ke falli ho beta
Kal bhabhi aane wali hai
Bua didi chachi mami
Khub satane wali hai
Barfi laddu kha kha ke
Teri band to bajne wali hai
Chal chhod bhula de ye ye
Aaj hall hila de ye ye
Chal dhoom macha de ye ye
Thodi or pila de ye ye
Over till the bottles over
See you next time
When you feeling sober
Honeymoon hai till october
Uske baad tera kya hoga
Aaj puri botal laavange
Aaj to babloo happy hai
Are dj bhi bajavange
Are aaj to babloo happy hai
Tunn hoke laatt hilavange
Aaj to babloo happy hai
Kal hone wali shaadi hai
Are aaj to babloo happy hai
Are aaj to babloo happy hai
Aaj to babloo happy hai
