Dil ke jo bhi raaz thay khul rahe hain, what a filing
Nindon mein jo khwab thay jag rahe hain, what a filing
Dil ki raahein dikh rahi hai taare jo saare bane hai zamin
Jo bhi tha maanga, mil gaya hai jab se tujhe kiya hai yakin
Tujhko jab se maanga hai haathon ko jo thaama hai
Baaton hi baaton mein yeh hua
Baby when you talk to me manjil mili gali gali
Baby when you walk with me saadi rail gaddi chali chali
Taare sab hai ghul gaye roshni mein what a filing
Sarae gum badal gaye hai khushi mein what a filing
Khoye thay hum toh khud hi humse ek hi tumse mile hai yahin
Saare hi lamhe gire thay pal se dekho na kal se mile hai yahin
Tujhko jab se maanga hai haathon ko jo thaama hai
Baaton hi baaton mein yeh hua
Baby when you talk to me manjil mili gali gali
Baby when you walk with me saadi rail gaddi chali chali
Tum yeh maano ya na maano dekho bekhobar tum thay
Meri manzilon ke raaste hi tum mein hi gum thay
Dil ka kaise mile pata jab tum hi thay lapata
Ab humse toh na chhupa jo raaz hai
Baby when you talk to me manjil mili gali gali
Baby when you walk with me saadi rail gaddi chali chali
