Seedhe the raaste
Din raat befikar
Apni hi dhun mein tha magan
Duniya se bekhabar
Karta tha main toh mana main toh mana
Dil ne kiya dil ne kiya
Sab ansuna sab ansuna
Mujhe bachaana bachaana meri jaana
Kaha main jaau batana meri jaana
Tumhi ho manzil kahi na kho jaana
Mujhe bachaana bachaana meri jaana
Jaane kaise hue kaise hue
Hum ek raah par raah par
Anjaan the nadaan the
Bane kaise humsafar humsafar
Meri toh hai ye duaa hai ye duaa
Saath rahe saath rahe
Tera mera tera mera
Mujhe bachaana bachaana meri jaana
Kaha main jaau batana meri jaana
Tumhi ho manzil kahi na kho jaana
Mujhe bachaana bachaana meri jaana
Aakhir ban he gayi ban he gayi
Apni ye daastan daastan
Tum mill gaye toh yun laga
Ke apnā hai ye jaahan
Tum jaisa koi na tha
Tum se he dil tum se he dil
Jaake laga jaake laga
Mujhe bachaana bachaana meri jaana
Kaha main jaau batana meri jaana
Tumhi ho manzil kahi na kho jaana
Mujhe bachaana bachaana meri jaana
Seedhe the raaste
Din raat befikar
Apni hi dhun mein tha magan
Duniya se bekhabar
Karta tha main toh mana main toh mana
Dil ne kiya dil ne kiya
Sab ansuna sab ansuna
Mujhe bachaana bachaana meri jaana
Kaha main jaau batana meri jaana
Tumhi ho manzil kahi na kho jaana
Mujhe bachaana bachaana meri jaana.
