Baby hold your breath
Teré paas jo aaun toh
Hosh uda dunga sach mein
Baby wait a sec
Tujhe nahi hai pata hai
Kitna maza mere touch mein touch mein
I know you want it
I know you, know you, know you need it need it
Teri aankhon mein likha hai sab kuch
Baby I can read it read it
Thoda sidha sadha hoon
Thoda sa hoon mad bro
Baby I m a bad boy
Can you be my bad girl
Baby I m a bad boy
Can you be my bad girl
Hi rehta baby high
ISTAYFLY fly jaise helicopter
Yo I m so sick bulao doctor ko
Sab cash no checks
Main chup rahu
Swag kare mera flex
Mood mein aa gaya baby toh
Tere boyfriend ke aage laga dunga Ex
Boy I m down with it, down with it
Tune le liya ye dil
Tujhse doori banaye rakhna
Boy ab ho gaya mushkil
Boy I m down with it, down with it
Tune le liya ye dil
Tujhse doori banaye rakhna
Boy ab ho gaya mushkil
Tu hai fire, main hoon gasoline boy
Take me higher, you know what I mean boy
Main bhi bilkul tere jaisi mad girl
I know you re the bad boy
I can be your bad girl
Baby I m a bad boy
Can you be my bad girl
I know you re the bad boy
I can be your bad girl
Baby I m a bad boy
Can you be my bad girl.
