Bada shaitan hai dil ajee beiman hai dil
Na jane kab kidhar kis par machal jaye sambhalana
Bada shaitan hai.....
Jane kahan kis mod pe koyee hamen aisa mile
Janmo kaa jo sathee lage milate hee jo dil chhin le
Koyee na jane kis mehfil me woh mahabub mile
Dil na sambhale najar najar me aise tir chale
Bada nadan hai dil ajee shaitan hai dil
Najar kaa tir jane jane kis pe chal jaye sambhalana
Bada shaitan hai.....
Roke nahee rukata nahee bandhe kabhee bandhata nahee
Kis par kahan aa jaye dil iska nahee koyee yakin
Kaise kaise rang yeh badale jab ho jaye javan
Isame kya kya chale aandhiya jage kya tufan
Ajee tufan hai dil bada shaitan hai dil
Na jane kahan kis par phisal jaye sambhalana
Bada shaitan hai.....
