Bade-bade akshar me hai  
Likha har pathar pe hai  
Manzil hai kitni door  
Kitni door zyada ya kum  
Beech zindagi ke hum  
Ginti gaye hai bhul  
Bade-bade akshar me hai  
Likha har pathar pe hai  
Manzil hai kitni door  
Kitni door zyada ya kum  
Beech zindagi ke hum  
Ginti gaye hai bhul  
Gin-gin ke din guzare nahi  
Raftar thodi badha le kahi  
Din duguni raat chauguni  
Bade-bade akshar me hai  
Likha har pathar pe hai  
Manzil hai kitni door  
Kitni door zyada ya kum  
Beech zindagi ke hum  
Ginti gaye hai bhul  
Andhe the kai ye raste tedhe the  
Aaj ujalo ke lambe ghere hai  
Tasvire jo thin diwar pe kal  
Dil me utar aur saath le chal  
Aankho ke parde pe khinchne lagi  
Tasvire kitni nayi nayi  
Din duguni raat chauguni  
Bade-bade akshar me hai  
Likha har pathar pe hai  
Manzil hai kitni door  
Kitni door zyada ya kum  
Beech zindagi ke hum  
Ginti gaye hai bhul  
Do chaar din hi hai milnewale  
Haath badha inse mil le gale  
Kandhe pe yaaro ke bazu rahe  
Aankho me door ki aarzu rahe  
Gin-gin ke taaro se neend chura le  
Aur khwabo ki goliya zyada le le  
Din duguni raat chauguni  
Kitni door zyada ya kum  
Beech zindagi ke hum  
Ginti gaye hai bhul  
Bade-bade akshar me hai  
Likha har pathar pe hai  
Manzil hai kitni door  
Ghante nahi hai to lamhe chun le  
Ghumke aate rahenge chun le  
Har mod pe koyi kadi khadi hai  
Jud jaye jab wahi sahi ghadi hai  
Gin-gin ke jodoge jo tum inhe  
Ghat jayenge ye sare lamhe  
Din duguni raat chauguni  
Bade-bade akshar me hai  
Likha har pathar pe hai  
Manzil hai kitni door  
Kitni door zyada ya kum  
Beech zindagi ke hum  
Ginti gaye hai bhul  
Gin-gin ke din guzare nahi  
Raftar thodi badha le kahi  
Din duguni raat chauguni  
Bade-bade akshar me hai  
Likha har pathar pe hai  
Manzil hai kitni door  
Kitni door zyada ya kum  
Beech zindagi ke hum  
Ginti gaye hain bhul
