La: badi befawa hai udati hawa hai  
Badi befawa hai udati hawa hai  
Ye zindagi saaqia  
Cho: aa aa aa  
La: vo duniya kahaan hai milati jahaan hai  
Dil ki kushi saaqia  
Dil ki kushi saaqia  
Cho: aa aa aa  
La: dekha hai ham ne din raat pi ke  
Nikale na phir bhi armaan ji ke  
Jhooti hai saaqi mai ki ye masti  
Roshan ho kaise phir dil ki basti  
Cho: jhooti hai saaqi mai ki ye masti  
Roshan ho kaise phir dil ki basti  
Yahaan na vahaan hai jaane kahaan hai  
Vo roshani saaqia  
Vo roshani saqia  
Cho: aa aa aa  
Badi bewafa hai â€  
La: sheeshe mein jo hai vo to hai naqali  
Kahaan pe chhupa ke rakhi hai asali  
Aankhon se apani ik jaam de de  
Betaab dil ko aaraam de de  
Cho: aankhon se apani ik jaam de de  
Betaab dil ko aaraam de de  
La: tadapa rahi hai rah rah ke dil ki  
Ye bekali saaqia  
Ye bekali saaqia  
Cho: aa aa aa
