

## Badi Tadap Hai Mohabbat Lyrics - Miss Chalbaaz :

Singer - [Ismail Azad Qawwal](#)

Lyricist - [Anwar Farrukhabadi](#)

Music - [Jimmy](#)

Music Label - Saregama

Badi tadap hai mohabbat  
Ki bezubaani mein  
Ke dil e garib ko maut  
Aa gayi jawaani mein  
Bewafaa tune  
Bewafaa tune qayaamat  
Ki ada paayi hai  
Ek main hi nahi duniya  
Teri shaidaayi hai  
Bewafaa tune qayaamat  
Ki ada paayi hai  
Ek main hi nahi duniya  
Teri shaidaayi hai  
Kaun kehta hai tere  
Dil mein wafadari hai  
Tu jahannam se udaayi  
Huyi chingaari hai  
Tere jalwon mein mohabbat  
Ka ujaala hi nahi  
Haaye ab koyi tera  
Chahane wala hi nahi  
Lut gayi aabru ulfat  
Ki to ulfat kaisi  
Jab tere pyaar mein  
Dhokha hai to chaahat kaisi  
Waqt ne mujhse tujhe  
Teri kasam chhin liya  
Bewafaaon ne mohabbat  
Ka bharam chhin liya  
Is tarah husn ko  
Badnaam kiya hai tune ae  
Har jagah pyaar ka nilaam  
Kiya hai tune ki teri taqdir  
Teri taqdir mein shohrat  
Nahi ruswaayi hai  
Bewafaa tune qayaamat  
Ki ada paayi hai  
Bewafaa tune qayamat  
Ki ada paayi hai  
Ek main hi nahi duniya  
Teri shaidaayi hai  
Jo bura hai wohi duniya  
Ko bura kehta hai  
Jis mein gairat hai  
Wo har haal mein chup  
Rehta hai kaun kehta aa  
Kaun kehta hai ki tu  
Husn ka shaidaayi hai  
Teri baaton mein mohabbat  
Nahi ruswaayi hai  
Main jo shirin ki adaaon  
Ko zara yaad karun  
Tu to kya hai jise chaahun  
Use barbaad karun  
Daaman e dil ko mohabbat  
Ke asar se bhar dun  
Sirf majnu nahi laila  
Ko bhi majnu kar dun  
Parda e husn se jo  
Pyaar ka shola nikley  
Thokare khaata hua  
Kabir se ranjha nikley  
Maine dam bhar mein  
Farishton ka bharam tod diya  
Shaayaron ne mujhe  
Dekha to kalam tod diya  
Baat aati nahi to  
Baat banana sikho  
Tir barsana hai to  
Pehle nishaana sikho  
Thodi ulfat bhi zaruri  
Hai adaawat ke liye  
Ke saadgi chaahiye izhaar e  
Shikaayat ke liye ye shikaayat  
Ye shikaayat nahi  
Badnaami hai ruswaayi hai

Kaun kehta hai ki tu  
Husn ka shaidaayi hai  
Bewafaa tune bewafaa  
Tune qayaamat ki ada paayi hai  
Ek main hi nahi duniya  
Teri shaidaayi hai  
Bewafaa tune qayamat  
Ki ada paayi hai  
Ek main hi nahi duniya  
Teri shaidaayi hai  
Maine maana mera dushman  
Hai har ek naaz tera  
Phir bhi ulfat mein ye  
Daawa hai pari naaz mera  
Chaandni shab ko gham e  
Hijir se mailaa kardun  
Tu to kya main jise  
Chaahun use laila kardun  
Jalwaa e husn bhi ek  
Shola e baatil nikla  
Hum masihaa jise  
Samjhe the wo qaatil nikla  
Husn rota hai ki ab  
Chahane waale na rahe  
Dil tadapta hai mohabbat  
Ke ujaale na rahe  
Jab ye aalam hai to kya  
Ishq ka izhaar kare  
Ke bewafaa tu hi bata kaise  
Tujhe pyaar kare  
Ke sara aalam  
Sara aalam teri surat  
Ka tamaashaayi hai  
Bewafaa tune qayaamat  
Ki ada paayi hai  
Bewafaa tune qayaamat  
Ki ada paayi hai  
Ek main hi nahi duniya  
Teri shaidaayi hai  
Kahaan kya pyaar ka  
Inaam humen dete hain  
Zulm khud karte hai  
Ilzaam hamen dete hain  
Kaun kehta hai ki jalwon  
Mein ujaala hi nahi  
Sach to ye hai ki koi  
Dekhne wala hi nahi  
Aankh mein raushni  
Hoti to nazaara karte  
Is tarah tir andhere  
Mein na maara karte  
Husn ki roshni  
Badnaam nahi hoti hai  
Pyaar wo shai hai jo  
Nilaam nahi hoti hai  
Gaur kar gaur ke ulfat  
Ka gunahgaar hai tu  
Waqt ke haath mein chalti  
Huyi talwaar hai tu teri chaahat  
Teri chaahat ne bhi  
Dushman ki ada paayi hai  
Kaun kehta hai ki tu  
Husn ka shaidaayi hai  
Pyaar karne ka abhi tujh  
Mein tariqaa hi nahi  
Bewafaa tujh ko mohabbat  
Ka saliqaa hi nahi  
Teri baaton mein shikaayat  
Ke siwaa kuchh bhi nahi  
Tere andaaz mein nafrat  
Ke siwaa kuchh bhi nahi  
Apni izzat ka koyi  
Paas nahi hai tujh ko  
Apni gairat ka bhi  
Ehsaas nahi hai tujh ko  
Ishq ke naam ko mitti  
Mein milaaya tune  
Husn ka naam zamaane  
Mein ganwaaya tune  
Aashiqi jis jagah bikti  
Hai wo bazaar hai tu  
Ek tuti huyi paazeb ki  
Jhankaar hai tu aisi baaton  
Aisi baaton se to hum  
Dono ki ruswaayi hai  
Phir na kehna mera  
Mehboob bhi harjaayi hai  
Aisi baaton se to hum

Dono ki ruswaayi hai  
Phir na kehna mera  
Mehboob bhi harjaayi hai.
