Bagh ko janam denewala baghban, parivar ko janam denewala pita  
Dono hi apne khun pasine se apne poudho ko sinchte hain  
Naa sirf apne ped se, usake saye se bhi pyar karte hain  
Kyun ki use ummid hai ek roj jab woh jindagi se thak jayega  
Yahi saya usake kam aayega  
O dharti tarse, ambar barse, rut aaye, rut jaye hay  
Har mausam ki khushbu chunka baghban bagh sajaye  
Bagho ke har phul ko apnaa samjhe baghban -2  
Har ghadi kare rakhwali, patti patti dali dali sinche baghban  
Baghban rab hai baghban - 4  
O madhuban ki bahar le aaye  
Mausam rite rite, hay mausam rite rite  
Janam janam ki trishna bujh gayi  
Birha ke kshan bite, hay birha ke kshan bite  
Phir se sajaye bhikhre apne sapne baghban  
Baghban rab hai baghban - 3  
Baghban rab hai, rab hai baghban  
O ungali thamke jin birhan ko hamne dikhayi rah  
Mat pita ki unke mann me tanik nahi parvah  
O ansuan bhar naino se inko dekhe baghban  
Aa aa aa, baghban rab hai baghban - 4  
O kisne dukh ki agni dali banjar ho gaye khet  
O hari bhari jivan baghiya se udne lagi hai ret  
Kya boya tha, aur kya kata soche baghban  
Aa aa aa, baghban rab hai baghban - 3  
Baghban rab hai, rab hai baghban  
O yahi sochke sanse likh di inn phulan ke nam  
Inki chhaniya chhaniya bite umrr ki dhalti sham  
Gunche hardam hi muskaye chahe baghban  
Har ghadi kare rakhwali, patti patti dali dali sinche baghban  
Baghban rab hai baghban  
Baghban rab hai, rab hai, rab hai, rab hai, rab hai baghban  
Woh suraj hai layi jisne dhup aangan aangan me  
Kyun hai akelepan kaa andhera aaj usi ke daman me  
Kya chaha tha aur kya paya soche baghban  
Aa aa aa, baghban rab hai baghban - 4 baghban, baghban
