Bagiya ke amarud kahe  
Aur bole mera tota  
Yaha tera pritam hota  
To kitana achchha hota  
Gunj rahi hai mere mann  
Mein shaadi ki shahanai  
Jab se dekha aapako  
Maine nind nahi phir aai  
Doli lekar kab aayenge  
Pritam tere dvaare  
Lagan hamara kab hoga  
Yah puchh rahe hai sare  
Bagiya ke amarud kahe  
Aur bole mera tota  
Yaha tera pritam hota to  
Kitana achchha hota  
Bina aapake vyakul  
Rahata hai yah hraday mera  
Murajhaya lagata hai  
Mujhako in phulo ka chehara  
Jaldi aana milane mujhase  
Mere mann ke vaasi  
Varana ye phulo ki bele  
Ban jaayegi phaansi  
Soch rahe hai haath mere  
Ye baate kaise likhe  
Kab tak baat nihaarege  
Kab tak dhiraj ham rakhe  
Baagh ki kaliya kahati hai  
Ki thak gaye nain hamare  
Lagan hamara kab hoga  
Yah puchh rahe hai sare  
Bagiya ke amarud kahe  
Aur bole mera tota  
Yaha tera pritam hota to  
Kitana achchha hota  
Dekh ke pahali baar  
Aapko aankhe jhoom rahi thi  
Aapaki pyaari surat ko  
Nazaro se chum rahi thi  
Tabase lekar ab tak har  
Pal ik ik yug lagata hai  
Vaise kaun kisi ko itane  
Pyaar se khat likhata hai  
Kah di hai mann ki baatein  
Aur nahi hai kuchh kahana  
Patra me ho galati koi  
Usako aap xama karana  
Naam aapaka patta patta  
Lekar roj pukaare  
Lagan hamara kab hoga  
Yah puchh rahe hai sare  
Bagiya ke amarud kahe  
Aur bole mera tota  
Yaha tera pritam hota to  
Kitana achchha hota.
