Bahut hasi hai tumhari aankhe  
Kaho to mai inse pyar kar lu  
Bada hai dhokha teri najar me  
Mai kis tarah etbar kar lu  
Bahut hasi hai tumhari aankhe  
Kaho to mai inse pyar kar lu  
Ye bhini bhini hawa ki khusbu  
Mahak hai tere hi tan badan ki  
Ye bhini bhini hawa ki khusbu  
Mahak hai tere hi tan badan ki  
Tum bhar ke bolo satak na jaye  
Koi naweli chameli kamal me  
Meri kali tum  
Meri kali tum agar kaho to  
Mai jindagi ko bahar kar lu  
Bada hai dhokha hai teri najar me  
Mai kis tarah etbar kar lu  
Hazar bate hai aisi dil me  
Jo ruk gayi hai juba pe aake  
Hazar bate hai aisi dil me  
Jo ruk gayi hai juba pe aake  
Jo bat lab pe machal rahi hai  
Wo aaj kah du najar mila ke  
Kisi ki hoke  
Kisi ki hoke jan khoke  
Mai dil ko kyu bekarar kar lu  
Bahut hasi hai tumhari aankhe  
Kaho to mai inse pyar kar lu  
Gino na ab dhadkane hamari  
Na aur lo imtiha hamara  
Gino na ab dhadkane hamari  
Na aur lo imtiha hamara  
Ise na samjho tum aazmaye  
Yahi to ulfar ka hai ishara  
Agar ye sach hai  
Agar ye sach hai to marte dam tak  
Mai aapka intzar kar lu  
Bada hai dhokha hai teri najar me  
Mai kis tarah etbar kar lu  
Bahut hasi hai tumhari aankhe  
Kaho to mai inse pyar kar lu.
