Bahut haseen hai tumhari aankhe
Kaho to mai inse pyar kar lu
Bada hai dhokha teri najar me
Mai kis tarah aitbar kar lu
Bahut haseen hai tumhari aankhe
Kaho to mai inse pyar kar lu
Ye bhini bhini hawa ki khusbu
Mahak hai tere hi tan badan ki
Tum bhar ke bolo satak na jaye
Koi naweli chameli kamal me
Meri kali tum
Meri kali tum agar kaho to
Mai jindagi ko bahar kar lu
Bada hai dhokha hai teri najar me
Mai kis tarah aitbar kar lu
Hazar bate hai aisi dil me
Jo ruk gayi hai juba pe aake
Jo bat lab pe machal rahi hai
Wo aaj kah du najar mila ke
Kisi ki hoke
Kisi ki hoke jan khoke
Mai dil ko kyu bekarar kar lu
Bahut haseen hai tumhari aankhe
Kaho to mai inse pyar kar lu
Gino na ab dhadkane hamari
Na aur lo imtiha hamara
Ise na samjho tum aazmaye
Yahi to ulfar ka hai ishara
Agar ye sach hai
Agar ye sach hai to marte dam tak
Mai aapka intzar kar lu
Bada hai dhokha hai teri najar me
Mai kis tarah aitbar kar lu
Bahut haseen hai tumhari aankhe
Kaho to mai inse pyar kar lu
