Eeyeah!
Ha-ha-heyeeah!
Ayeha!
Are baja-baja -baja-baja dhol baja re
Dafli baji, khanjari baji khol baja re
Thodi-thodi bhang udi
Thoda thoda rang uda
Ek drum, ek drum role baja re
Ja re hat natkhat
Na chhode mera ghunghat
Palat ke dungsi aaj tujhe gaali re
Mujhe samjho na tum bhooli bhaali re
Are gaali tere munh se suni aacha laga re ayeha!
Bakri hanssi, baby hanssi, murga hanssa re
Haye, thodi-thodi bhang udi,
Thoda thoda rang uda
Ek drum, ek drum role baja re
Ja re hat natkhat
Na chhode mera ghunghat
Palat ke dungsi aaj tujhe gaali re
Mujhe samjho na tum bhooli bhaali re
Neela rang sharmila re
Dekhe tere, oh tere
Oh tere neele naina
Fafu padd gaya peela re
Larka ek geela-geela
Picture ek dheela dheela
Laal gulaal bhi hai
Sharm se khila khila
Ek, dugi, tiggi re
Larki bhingi bhingi re
Uff allah, ayena dekh le subhanallah
Ja re hat natkhat
Na chhode mera ghunghat
Palat ke dungsi aaj tujhe gaali re
Mujhe samjho na tum bhooli bhaali re
Neele neele naino waale
Neele rang se sab aang bharde
Tan bharde, man bharde
Neele neele naino waale
Thodi-thodi bhang udi
Thoda-thoda rang uda
Lota baja, matka gol
Dhol baja re
Ja re hat natkhat
Na chhode mera ghunghat
Palat ke dungsi aaj tujhe gaali re
Mujhe samjho na tum bhooli bhaali re
Ja re hat natkhat
Na chhode mera ghunghat
Palat ke dungsi aaj tujhe gaali re
Mujhe samjho na tum bhooli bhaali re
Holi hai re holi
Rang bhari poori choli
Piya maare pichkaari
Hori pritam ki holi
Na kahaar, na mazdoor
Kowno uthawega ye doli mera
Itna dahej, ek lahanga ek choli
Mere dino ko ke chhat
Meri pathar ki khooli
Ek bana di tera kanna
Ek mera humjoli.
