Bam bam bam bombai bombai - 4
Raam raam tukaram
Raja raam radhe shyam
Rustam ji pestan ji
Bismillah asallam
Andthone good morning
Satsriya kaal kulwant singh
Bam bam bam bam bombai ki kasam
Bombai chhodenge marke na hum
Koi bhi ho kahi ka ho
Aake yaha yahi ka ho
Dilli se aaye patna se aaye
Aake yahi jaye jham jham jham
Bam bam bam bam bombai ki kasam
Bombai chhodenge marke na hum
Hai kitane unche mehel
Chhute hai jo aasman
Daulat hai kitani yaha
Ye na saka koi jaan
Baaho me taqat ho
Mehnat kare insan
Har sapna sach ho yaha
Pure ho sab arman
Aisa saher hoga kidhar
Ruke nahi kahi nazar
Seharo me sabse pyara saher ye
Aise seher honge kam kam kam
Bam bam bam bam bombai ki kasam
Bombai chhodenge marke na hum
Bam bam bam bam bombai ki kasam
Kya kya hai dhandhe yaha
Kaise hai karobar
Daulat ke badle me
Bikate hai ye kudiya
Pani me hai woh asar
Budho ke dil ho jawan
Husn jawan dekhe jaha
Kaise chhidakte hai jaan
Kya kya hai dhandhe yaha
Kya kya hai fande yaha
Chakkar pe chakkar chalte hai jaise
Ye raaj jane hum hum hum hum
Bam bam bam bam bombai ki kasam
Bombai chhodenge marke na hum
Mum mum mum mum mumbai ki kasam
Mumbai chhodenge marke na hum
