Mumbai me pyar karne ki jagah kaha hoti hai  
Aur jagah bhi mil jaaye toh waqt kaha hota hai  
Khair waqt bhi mil jaaye aur jagah bhi bandra ka band stand ho  
Toh pata hai kya hota hai  
Hoga saamane sunset and some fishermen with their fishing net  
Ha thandi thandi purwaaiyaan romance in the air and all ho ho yah  
Jaise hi usaka haath thaama, khidki pe knock knock karega maama  
Just think of all this in your mind  
When you take a hot girl in a cool car to the band stand  
You do it on band stand yeh yeh, band stand yeah, you are on band stand  
Haatho ko chumoge apane haath se, dhadkane bhi honghi kuchh tej si  
You are very thirsty to buy the sea, sataayegi usake gaalon ki laali  
Khidki pe tab bhi bajegi taali, yeh pachas de pachas  
Just think of all this in your mind  
When you take a hot girl in a cool car to the band stand  
Yeah you are on a band stand dude, you are on band stand, oh baby band stand  
Baaju mein jo hogi teri jannat, piche shahrukh ki mannat  
Left mein hoga hotel sriram, rock, rock, rock  
You will smile and say come on lets talk  
Chhalkegi jo usake gaalon se sharam  
Again knock on the door chanajor garam  
If you dont mind we will level a kind  
Come on give me a break i really dont have time  
Just think of all this in your mind  
When you take a hot girl in a cool car to the band stand  
Dude you are on band stand yeh yeh, band stand dude, you are on band stand  
Oh oh band stand yeh you on band stand, yah oh oh band stand here you on band stand  
Thats all about band stand
