Barf khushee hai sard hasin hai
Kyon muskurahat jaise jami hai
Koyee jo puchhe kya kya kamee hai
Kya dil bataye woh ajnabee hai
Ek ajnabee hai
Unchee minare lambee katara
Chhotee bahare kya yeh sahee hai
Koyee jo puchhe kyon yeh sabhee hai
Bole najar kya woh ajnabee hai, ek ajnabee hai -2
Lalchate chehre muskate pehre, talo pe tale chhabee nahee hai
Koyee jo puchhe jate kaha ho
Bole kadam kya ek ajnabee hai -2
Lalchate chehre muskate pehre, talo pe tale chhabee nahee hai
Koyee jo puchhe jate kaha ho, bole kadam kya ek ajnabee hai
Woh ajnabee hai ek ajnabee hai, ha ajnabee hai
Unchee minare lambee katara, lalchate chehre muskate pehre
Aaja hai kehte haste hee rehte, kehte hai hamse ham jindagee hai
Barf jami ho sard hasin ho, sine ke andar baste ho khandar
Tale lage ho jale lage ho, lagte hai yeh pal ajnabee hai
Yeh jindagee hai toh jite hai kaise
Yeh hai jo khushiya toh pite hai kaise
Muh se bolu koyee raj kholu, toh kehtee hai duniya -2
Koyee toh kamee hai -2, ek ajnabee hai -6
