Ehsaano thale bebas si hai ye hawaaye  
Ghul rahi hai saanson me jese zeher si hawaaye  
Ehsaano tale bebas si hai ye hawaaye  
Ghul rahi hai saanso me jaise zeher si hawaaye  
Bemaani si zindagi jee rahe hai ham  
Hai raat si har khushi hai  
Barham hai ham - 5  
Agar gunaahgaar hoo mai mujrim nahi tu bhi kum  
Khaamosh mai bhi dekhon chup tu bhi dekhe sitam  
Tu to bhala dara khuda kyun hai bebas tu ese  
Tu bhi vahi ma bhi vahi dono mitti ke jaise  
Toote hai is dil ke saare bharam barham hai ham  
Theraate jaa rahe sitam barham hai ham  
Sehera na hota ye khatam barham hai ham  
Tera sawaare hai bharam barham hai ham  
Kyun bekhabar hai ese khudh ke jahaan se hi tu  
Tera likha na bhaaye sunle khuda abh ye tu  
Mann ye mera mujhse kahe dur chalde yahan se  
Na ho koi naata tere dard ke is jahaan se  
Toote hain saare beroharam barham hai ham  
Theraate ja rahe sitam barham hai ham  
Sehera na hota ye khatam barham hai ham  
Tera sawaare hai bharam tujhse kya chupa  
Tu to hai khuda insaan ban ke dekh  
Barham hai ham jeene ke liye  
Marte ham rahen tu bhi mar ke dekh  
Barham hai ham  
Khuda jo ho hame tere sang karlu lakeer  
Nahi banu mera khuda sabh ho meri daleele  
Chaahun na abh tere rahem-o-karam  
Ehsaano thale ghul rahi hai saanson me
