Batala de koyi toh hamein batala de  
Meri hai yeh jindagi main kisse kyun daru  
Main history chaahata main mathematics kyun padhu  
Darate darate marate marate main padhunga kya  
Batala de koyi toh hamein batala de  
Isamein waisa kya hai aur usame waisa kya hai, bhul chalo  
Mujhako kya banana hai are dil ka yeh sauda hai wahi karo  
Main jawaab kya dunga khud ko baad mein kahon  
Umr beet jaayegi tab takdur dur toh  
Batala de koyi toh hamein batala de  
Mere aansu ko sehlaane kya aayenge woh  
Batala de koyi toh hamein batala de  
Patrakaar banana hai ya chitrakaar banana hai, kyun na banu  
Doctor na engineer mujhe adaakaar banana hai, kyun na banu  
Kyun kisaan ka beta nikala court bank mein  
Kyun kheti na bachi hai usaki sentiment mein  
Batala de koyi toh hamein batala de  
Kyun padhaayi bas aajkal hai convent mein  
Batala de koyi toh hamein batala de  
Meri hai yeh jindagi main kisse kyun daru  
Main history chaahata main mathematics kyun padhu  
Darate darate marate marate main padhunga kya  
Batala de koyi toh hamein batala de
