Chandra badan chhab baakee toree, akhiya kajar dore  
Saham varan muskaan adhar dharee, hosh uda gaya more  
Mann moh liya tune rasiya, mann basiya  
Akhiya kee churaa lee nindiya, mann basiya  
Mohe prit kee rit sikhaade, piya nainan mad chhalaka de  
Toh pe vaaree vaaree jaanu, prem sudha barsate  
Battiya bujhaade, battiya bujhaade tu battiya bujhaade -2  
Chaahat kaa apaneer tu diya jalaade  
Battiya bujhaade tu battiya bujhaade  
Sudh budh maj kho baithee, divaaneer ho baithee  
Tereer lagan me sajan  
Samajhe naa harjaayee, chaahat kee gehraayee  
Par par mai haree jatan, kis bidh me samajhau tohe  
Julmee tu batlaade  
Battiya bujhaade, battiya bujhaade tu battiya bujhaade -2  
Chaahat kaa apaneer tu diya jalaade  
Battiya bujhaade tu battiya bujhaade  
Ho nakhrawaaleer raanee  
Toree cha?li jawaniya sambhalake rakho  
Naa ta? lut legi duniya sambhalake rakho  
Akhiya me batiyaave, samajhe naa samajhaave  
Kaiso anaadeer piya, kaun anaadeer  
Jaane naa barjoreer mat maareer gayee moreer
