Bechain hai sapne
Naye aasman bulaye
Pankh ye bole dole dole dole
Sagar ki lahre jhil me shamaye
Paani ye bole kholo kholo kholo
Ek jung hai jagi ye ruh hai bhagi
Nazro ke aage kaisa ye dhua
Ek rah kahe aa chal geet naya ga
Par badh na saku roke jane kya
Ye dil kuch bole ja kuch bole
Jau mai kaha
Tadpe man paki re
Kabhi khiche junu
Kabhi khiche jaha
Jau mai kaha tadpe
Man paki re
Dur aawaze khol de na re
Bande hai ummid ke dhare
Man ka bigul bhi tujhko pukare
Uljhe uljhe rat ke dhage
Rat andhere subah jage
Dhup ka parchan aage aage re
Sathi re
Surah hai tu badal hata
Khul ke gagan pe
Roshan hoja aaja jara
Piche surang aage tarang
Soche tu kya ban ke hawa
Lahraja jara ja
Aaja aaja cha ja cha ja
San sanan lahraja aaja
Kaisa dar hai kaisa safar hai
Khud ko khone ke bahane aaja
Ye dil kuch bole ja kuch bole
Jau mai kaha
Tadpe man paki re
Kabhi khiche junu
Kabhi khiche jaha
Jau mai kaha
Tadpe man paki re
Dur aawaze khol de na re
Bande hai ummid ke dhare
Man ka bigul bhi tujhko pukare
Uljhe uljhe rat ke dhage
Rat andhere subah jage
Dhup ka parchan
Aage aage re sathi re
Tadpe man paki re
Dur aawaze khol de na re
Bande hai ummid ke dhare
Man ka bigul bhi tujhko pukare.
