Bedard jara sun le garibo kee kahaanee
Khaana toh hai khaana inhe milta nahee paanee
Malamal ke bichhaune pe hai too aish me khoya
Hamsaaya teraa raat ko patthar pe hai soya
Too khush hai musalamano ko aaram kahan hai
Batala mere hamdard islaam kaha hai
Dojak ko bhula kyon sholafashanee
Bedard jara sun le.....
Tum banee-e-islam kaa farmaan toh dekho
Allah kaa kya hukam hai kuraan toh dekho
Irashad-e-nabin yah hai kee khud bad me khao
Bhukha jo padosee ho use pahale khilao
Bimaar jo hain unakee madad farj tumhaara
Muhataaj jo hain unako sada dena sahaara
Par tumane toh iname se koyee baat naa maanee
Bedard jara sun le.....
Bimaar garibo ke lie ban ke bhikhaaree
Ai bhaiyo aaye hain kidamat me tumhaaree
Hai kare sabab aankh agar raham kee kholee
Daata bhala ho bhar de fakiro kee jholee
Iss sham se paida karo subah suhaanee
Bedard jara sun le.....
