Are aankh se bund gira koyi, chingaari ka tukada jala koyi  
Ummid ko aag laga jara, seharā ki pyaas bujha jara  
Ghan itana baras ke galane lago main paani ke upar tarane lagu  
Behane de mujhe behane de, mujhe behane de, mujhe behane de  
Behane de ghanghor ghata behane de paani ki tarah  
Saagar mein ja girana hai behane de nadiya ki tarah  
Shart lagi hai mar jaane ki, jina hai toh pyaar mein  
Deh kahin bhi ho mera jaan rati hai yaar mein  
Beh ja beh ja hai saagar ka kehana  
Beh ja beh ja hai nadiya ko behana  
Patte se tapakati bund ki aawaaj sunaayi di thi  
Nadiya mein tapak aur gum ho ja  
Beh gaya beh gaya jo reh gaya reh gaya  
Behane de mujhe behane de, mujhe behane de, mujhe behane de  
Behane de ghanghor ghata behane de paani ki tarah  
Saagar mein ja girana hai behane de nadiya ki tarah  
Mera pal pal ang ang bhar diya, tune jaan pe junun sa kar diya  
Mera hai kya jo main haar du, jaan teri hai tujhape vaar du  
Dub gaye jo suna hai saare tere dere aate hai  
Dil ke chullu mein bechaare dubkiya gote khaate hain  
Beh ja beh ja chal tod kinaare ko  
Beh ja beh ja dhar le majhdhaare ko  
Chingaari udaake raakh se ik bund giraake aankh se  
Chalane ka ishaara kar gaya  
Kar gaya kar gaya, sab bhar gaya bhar gaya  
Behane de mujhe behane de, mujhe behane de, mujhe behane de  
Behane de ghanghor ghata behane de paani ki tarah  
Saagar mein ja girana hai behane de nadiya ki tarah  
Behane de mujhe behane de, mujhe behane de, mujhe behane de  
Behane de ghanghor ghata behane de paani ki tarah  
Saagar mein ja girana hai behane de nadiya ki tarah
