Bekadar bekhabar bewafaa balmaa
Na main tujhko maarungi na main tujhko chhodungi
Aahista aahista tadpa tadpa ke o pathhar dil main tujhko todungi
Bekadar bekhabar bewafaa balmaa
Tere saamne mere dushman dekh banungi aaj main dulhan
Pehnungi shaadi ka joda teri barbaadi ka joda
Tere khoon se rang ke main laal chunariya odhungi
Aahista aahista tadpa tadpa ke o pathhar dil main tujhko todungi
Bekadar bekhabar bewafaa balmaa
Tera koi dharam nahi tera koi imaan nahi
Achha saajan kaise banega jo achha insaan nahi
Tere naam se main apana naam kabhi na jodungi
Aahista aahista tadpa tadpa ke o pathhar dil main tujhko todungi
Bekadar bekhabar bewafaa balmaa
Ek tujhe deti hu mauka jaa mujhko bhi de ja dhokha
Dekhe log yeh aankh michauli jab tak chalti hai yeh goli
Banke teri maut main tere piche daudungi
Aahista aahista tadpa tadpa ke o pathhar dil main tujhko todungi
Bekadar bekhabar bewafaa balmaa
