Hmm&
Bekhayali mein bhi tera hi khayaal aaye
Kyun bichhadna hai zaroori ye sawaal aaye
Teri nazdeekiyon ki khushi behisaab thi
Hisse mein faasle bhi tere bemisaal aaye
Main jo tumse door hoon
Kyun door main rahoon
Tera guroor hoon
Aa tu faasla mita
Tu khwaab sa mila
Kyun khwaab tod doon oo..
Bekhayali mein bhi tera hi khayaal aaye
Kyun judaai de gaya tu, ye sawaal aaye
Thoda sa main khafa ho gaya apne aap se
Thoda sa tujhe bhi bewajah hi malaal aaye
Hai ye tadpan, hai ye uljhan
Kaise jee loon bina tere
Meri ab sab se hai annban
Bante kyun ye Khuda mere hmm&
Ye jo log-baag hain
Jungle ki aag hain
Kyun aag mein jalun&
Ye nakaam pyaar mein
Khush hain haar mein
Inn jaisa kyun banun oo&
Raatein dengi bata
Neendon mein teri hi baat hai
Bhoolun kaise tujhe
Tu toh khayalon mein saath hai
Bekhayali mein bhi tera hi khayaal aaye
Kyun bichhadna hai zaroori ye sawaal aaye
Nazar gira de har ik manzar
Ret ki tarah bikhar raha hai
Dard tumhaara badan mein mere
Zeher ki tarah utar raha hai
Nazar gira de har ik manzar
Ret ki tarah bikhar raha hai
Dard tumhaara badan mein mere
Zeher ki tarah utar raha hai
Aa zamaane aazma le roothta nahin
Faaslon se hausla ye toot ta nahin
Naa hai woh bewafa aur na main hoon bewafa
Woh meri aadaton ki tarah chhoot ta nahin.
