Bekhidee ka bada sahara hai, varna duniya me kya hamara hai
Log marne hain maut aane se, hamko iss jindagee ne mara hai
Bekhidee ka bada sahara hai
Iss mukaddar ka yeh sitam dekho, dubate ja rahe hain ham dekho
Aur woh samane kinara hai, bekhidee ka bada sahara hai
Aadamee kuchh bhee kar nahee sakata
Wakt aisa gujar nahee sakata, wakt aisa magar gujara hai
Bekhidee ka bada sahara hai
Kitnee halkee hai kitnee bojhal hai
Koyee aurat nahee yeh botal hai, band iss me jahan sara hai
Bekhidee ka bada sahara hai
