Bhatakti hai jawa nazre  
Fiza me mohobat ko taras  
Khana hi hoga dile betab ki  
Awaz sun kar vo aayeag use  
Aana hi hoga aana hi hoga  
Aana hi hoga  
Aye meri zingji koi manzil  
Talash kar jo dil ka dard jan  
Le vo dil talash kar  
Wo dil talash kar  
Aye meri zingji koi manzil  
Talash kar jo dil ka dard jan  
Le vo dil talash kar  
Wo dil talash kar  
Mathe pe shame gam ke  
Kohra sa jam raha hai  
Moje tehel rahi hai tufan  
Tham raha hai jo mil  
Ke kho gaya hai vo sahil  
Talash kar  
Jo dil ka dard jan  
Le vo dil talash kar  
Wo dil talash kar  
Kuch dil bhi hai paresha  
Kuch ruh bhi hai pyasi  
Kab tak rahegi aakhir  
Ye mout ki udasi jo mar ke  
Jilaye vo katil talash kar  
Jo dil ka dard jan  
Le vo dil talash kar.
