Tikhi tikhi nukili si bunde
Behake behake se baadal uninde
Geet gaati hawa mein gungunaati ghata mein
Bheeg gaya mera mann
Bheeg gaya mera mann
Ho mastiyon ke ghunt pi, shokhiyon mein tair ja
Ishq ki galiyon mein aa, inn palon mein thehar ja
Rab ka hai yeh aaina, shaki haan isako dikha
Jindagi ghud daud hai, do ghadi le le maja
Chamake chamake yeh jharano ke dhaare
Tan pe malamal si padati phuaare
Ped hai manchale se, patte hai chulbule se
Bheeg gaya mera mann
Bheeg gaya mera mann
Ho dagmagaati chaandani, has rahi hai josh mein
Aur patange ga rahe, haan raag maal kos mein
Banake naache behaya besahram pagali hawa
Jindagi milake gale has rahi de de duwaan
Barase barase re ambar ka paani
Jisako pi pike dharati deewaani
Khilkhilaane lage hai muskuraane lagi hai
Bheeg gaya mera mann
Bheeg gaya mera mann
Bheeg gaya mera mann
Bheeg gaya mera mann.
