Aur andhera
Aaj mila de raaton mein
Subah bujha de
Aaj meri inn aankhon mein
Main jalta lamha koi
Tu hai shabnam jo bujha de
Bheegh loon, bheegh loon
Aaj main teri baarish mein
Bheegh loon, bheegh loon
Aaj main teri baarish mein bheeg loon
Haan khud ko ab behne de mujhpe
Mujhko bhi jalne de tujhpe
Rukne na de ye silsila
Wo..haan paani ki chaadar lage tu
Pyaasa ik baadal lage tu
Mujhko lage tu barf sa
Main jalta lamha koi
Tu hai shabnam jo bujha de
Bheeg loon, bheeg loon
Aaj main teri baarish mein
Bheeg lun, bheeg lun
Aaj main teri baarish mein bheeg loon
Aa din se raatein tu badal le
Neendon ko meri masal de
Subah talak mujhko jagaa
Hmm..aa tan pe tu mere fisal le
Har karvat meri pehan le
Khud ko de tu mujhme dubaa
Main jalta lamha koi
Tu hai shabnam jo bujha de
Bheeg loon, bheeg loon
Aaj main teri baarish mein
Bheegh loon, bheegh loon
Aaj main teri baarish mein bheeg loon.
