Bikhari bikhari si julfein hain kyun
Khoyi khoyi si aankhein hain kyun
Ghum ka yeh pal gujar jaayega, phir koyi humsafar aayega
Bite pal bhul ja, woh pal nahi hain kahi
Laayenge pal naye, ek jindagi phir haseen
Yeh bhigi palake utha, yeh sochake muskura
Laayega phir samay koyi jamaana aisa yahaan
Phir chalegi hawa manchali, phir se mehkegi koyi kali
Phir koi humsafar aayega, dil koi geet phir gaayegaa
Raat lambi sahi, phir bhi yeh ik raat hai
Subah ho jaayegi, sau baaton ki baat hai
Phir jaagegi yeh fija, phir dil ka ik raasta
Le jaayega wahen tujhe, tere hai manjil jahan
Sach to yeh hai ki hona hai yuun, toh in aakhon mein aansu hai kyun
Ghum na kar tu jo murjha gaye, phul khil jaayenge phir naye
